New Case No. 2:24-cv-03479-DAD-CSK

An examination of the above-captioned actions reveals that they are related within the meaning of Local Rule 123(a). 1 An order relating cases under this court's Local Rule 123 merely assigns them to the same
2 district judge and magistrate judge—it does not consolidate the cases. The local rules of this
3 district authorize the judge with the lowest numbered case to order the reassignment of any higher
4 numbered cases to himself or herself, upon determining that this assignment is likely to effect a
5 savings of judicial effort. L.R. 123(c). Such good cause appearing here, the court orders that
6 Case No. 2:24-cv-03479-TLN-AC is reassigned to the undersigned and Magistrate Judge Chi Soo
7 Kim. The caption on documents filed in the reassigned case shall be shown as: 2:24-cv-03479-
8 DAD-CSK. It is further ordered that the Clerk of the Court make appropriate adjustment in the
9 assignment of civil cases to compensate for this reassignment.

10 IT IS SO ORDERED.
